

Remnant Music After Hours

corridor rebuttal
on a platter hoof once shelved
visible
portents
devised
micron data
grommet pavilion rampant markings cantilevered
papillon morphing
division markers tinnitus hearings endorphins
abbreviated sludge marking
slides microfiched on
a modular parlance alleviating drudgery
glides the slickening board
ovular riding glands climbing
the visceral outcome
remnant music offered nuance
centipede retraction left displaced
to harrow
a further lexicon refinement
replacing implicit defining
meadow forward
surges
the screaming placental umbrage sharpens flooding
that darkens an ambushade caught in arrears
the teeming brood of shadows
dreaming of
the food of memory feasts
served unforgivably shaken
on the equinox platter shuffled no tremor left unnoticed
a generation taken aback
seat to empty caveat preemptors precedent redemption snickers
dreaming on a flood tide hampered
nautical passage
in its lingering division

alluvial disdain
through terra cotta amenities

no cotton left
for a transfer
bending thick

odes
to aching
curvature

lines
of
corridor
reciprocity

and
against the bevel

animus
incoherent passacaglia incantations
treble a dampened lightening fixture
left before terrain accrues a hostile glow
unlined scouring the aberrant parlance riders

explicates
metallic
surging
balladic

soliciting umbrage
cantors

fixations dawning somerset

calls
devour the mix
texturing its weight with
blusters before new
diamond catalogue
pity

opprobrium
sonnets

exchange
deforming
breaking
the lines

rank

as some would say breaking derivative ground
as impositons dictate

tiding moribund sludge to platter

a musing wing

tuned the rune
to music of the petrified tunic
in turn renewed
the fossil predations
attuned

lost
in
flight

to brewing inception
screaming the level of net repose
a luxury no longer

slowly equinox banners waving
ergonomic guardian surplus illusions

applied without

just pause
a course
revamped
to vessel

before umbrage
seating displaced marrow functions
cleft remnant music footage

dismembers implosion snickers
dreaming flood tide infusion

straight up
the shadows stride
largesse
a mentor's after hours an impending
breath lingering crest
surges tide shadows
warm memory
and ready for implicit
stretching out implicit
memory
surges
where rhythm lights the way the remnant passage
to dawn
another night's day left for grounding
